

VOLUNTEERS NEEDED!

A Decade Of Rides

After nine years and over \$965,000 in fundraising, Dream Ride is back and better than ever. Since 2001, this special event has brought motorcycle riders and car enthusiasts together to celebrate the achievements of Special Olympics Athletes, as well as help raise awareness and funds for a worthy cause. We're proud to ride out our first decade with our official sponsors, Bozzuto's Inc. and Hometown Foundation, Inc.

The enthusiasm and generosity of our sponsors and participants has helped us expand our reach into 8 states. On Friday, August 20th & Saturday, August 21st riders from all over New England, New York and Pennsylvania will ride into Connecticut and join Dream Ride. Sunday, August 22nd we will officially celebrate our 10th Dream Ride – an event filled with more than just motorcyclists. In fact, our Dream Cruise 2010, presented by Papa's Chrysler Dodge Jeep is a chance for automotive enthusiasts to not only show off their cars and trucks but an opportunity to cruise into Dream Ride with an athlete. So whether you enjoy two wheels or four, this is one event we all support together.

A Decade Of Dreams

The continued mission of Dream Ride 2010 is to raise much-needed funds for the thousands of Special Olympics Athletes around the country. As an organization, Special Olympics helps foster lifelong development of children and adults with intellectual disabilities.

With this cause near and dear to our hearts, we are once again proud to announce our partnership with The Law Enforcement Torch Run for Special Olympics. This is Special Olympics' largest grass-roots fundraiser and public awareness campaign. Annually, more than 85,000 volunteer law enforcement officers carry the Flame of Hope™ alongside Special Olympics athletes into the Opening Ceremonies of the local competitions and State, National and World Games. The Torch Run reaches 46 nations, 12 Canadian Provinces and 50 United States, and raises millions for local Special Olympics programs. Your participation in Dream Ride and support of the Special Olympics mission will help keep dreams alive in communities everywhere.
