

BECOME A ROPES VOLUNTEER

THE EVENT

Special Olympics Connecticut is raising funds by partnering with Over the Edge to give people the chance to rappel down the Mohegan Sun Sky Tower. Participants will be raising, on average, \$1,250 per person for this exclusive opportunity to rappel. If you donate your time and effort, YOU WILL GET TO RAPPEL FOR FREE!

THE COMPANY

Over The Edge is a special events company that hosts signature events, specifically building rappels, in partnership with local charities. They have been operating throughout North America since 2003, assisting thousands of participants in partaking in a once in a life experience for a great cause.

WHO CAN VOLUNTEER

Previous experience with rope safety systems (ropes course facilitation, rock climbing instruction, high angle rescue, industrial rope access, etc.) is preferred but NOT required. Volunteers are able to rappel (for free), plus you'll get a great sense of community and pride knowing that you made a difference AND a big thank you from SOCT!
