

Become a Volunteer

Our Penguin Plunge events wouldn't be possible without the support of volunteers! Individuals, families, and groups are welcome to help making our Penguin Plunge events fun, safe, and exciting for all attendees. Examples of penguin plunge volunteer opportunities include:

Check-In/Registration - crucial to the success of the event

- Welcome event participants
- Collect signed waivers and tally fundraising totals

Incentive Prizes - The perfect opportunity for our youngest volunteers

- Hand out event t-shirts and incentive prizes

Finance - our favorite finance volunteers are current and former bank tellers

- Confirm all fundraising totals
- Assist SOCT staff with sorting and counting all event donations

Event Set up & Breakdown - Great for school groups or teams who need to fulfill community service hours!

- Help set up the beach, put up signage
- Set up registration tent – tables, chairs, signage, t-shirts and any other items needed
- Help pack up all event supplies and general event clean up

For more information about volunteering, contact:
