How to Determine Bocce Scores:

1. Place the pallina at the 30 foot line
2. The player rolls 8 balls
3. The three closest balls to the pallina are measured in centimeters and recorded
4. The procedures (1-3) are repeated at the 40 and 50 foot lines
5. Total the measurements, that number equals the final qualifying score

Measurements will be taken from the center side of the Bocce ball to the center top of the pallina for a total nine measurements.

All measurements are to be recorded in CENTIMETERS ONLY.

If you need assistance in converting inches to centimeters try:

www.onlineconversion.com

Proper measuring/scoring helps to create equal divisions!

The object of Bocce Skills is to roll Bocce Balls *close* to the pallina

Rules:

1. The pallina will be placed on the proper target line for each athlete.
2. Each athlete will throw from behind the starting line.
3. The bocce ball must be rolled, tossed, etc., in an underhanded style.
4. Each athlete will roll eight (8) bocce balls per game (3 games per set).
5. A bocce ball that stops completely outside of the playing field will be considered a dead ball and a score of 600cm will be given if none are closer to the pallina. In modified distance play, if the ball goes past the 16 meter line a score of 600cm is given. In regulation distance play if the bocce ball passes the 26 meter line a score of 600cm is given.
6. Measurements will be taken after all 8 bocce balls have been rolled.
7. If the pallina has been hit with a bocce ball and moved, all measurements will be taken from where the pallina lies after all 8 balls have been thrown.

Measurements:

1. Measurements will be taken from the pallina to the closest three bocce balls.
2. All measurements will be made from the center top of the pallina to the closest point on center side of the bocce ball.
3. All measurements will be recorded in centimeters: example 45cm.

Scoring:

1. The measurements will be recorded on the bocce skills score sheet.
2. A set will consist of three games.
3. The total distance from the set is recorded on the athlete entry form in the form of meters and centimeters. Example 145cm.
4. The athlete with the lowest total score after a set (3 games) will be awarded first place and the athlete with the next lowest score will be awarded second place and so on.

Playing field:

1. The field will be 12 feet wide with lines.
2. The throwing distance will be 10 meters for Modified Bocce Skills.
The throwing distance will be 20 meters for Regulation Bocce Skills
