

EVENT INFORMATION

When to Arrive

Teams should arrive at your scheduled registration time. If you do not know your registration time, please reach out to your team captain. You also want to make sure that your entire team gathers in one area before presenting your group to team check in. Please remember, you have a pull window and your team can pull any time in/around that block base on arrival time.

If your team does not have a scheduled registration time, please reach out to Amy Zdanowski as soon as possible, via email at amyz@soct.org.

Parking & Directions

Tweed-New Haven Airport is located at 155 Burr St, New Haven, CT 06512. All event attendees, including spectators, should park in Lot C. Event attendees will receive a parking voucher. For more information on parking, visit <https://parkhvn.com/>

Event Registration & Team Check In for Participants

If there are members of your team that have not yet registered, please let them know that they MUST register for your team at <https://give.soct.org/planepull> prior to check in. Pre-Registration is required for participation.

Team check in will be located outside the arrivals area. Please gather as a team before presenting yourself to the check in tent.

At team check in, each member MUST individually check in. At check in, teams will have the opportunity to turn in all last minute donations for your team's fundraising efforts. Your team will be escorted into staging from this area.

What NOT to Bring?

- Bags
- Animals (while it is an open space, the noise is too much for them!)
- Firearms or weapons of any type, unless you are a sworn officer in uniform
- Outside food or drink. We will have drinks available for all teams post pull!

What to Bring?

- Sunglasses, hat, sunscreen
- Appropriate clothing for the weather (it is a rain or shine event!)
- Work/gardening gloves for pulling the plane as we will not have gloves to share
- Any extra cash/check donations to add to your team's total at check in

What if my team is below the minimum donation?

If your team is below the minimum donation of \$2,000, please fill out the [credit card authorization](#) in order to secure your spot on the ropes. Teams cannot pull without supporting Special Olympics Connecticut at this level.

Are spectators allowed?

Yes, spectators may park in Lot C and view the plane pull from the fenceline. Spectators will not be allowed to pass security and enter the pull area. Spectators may bring a chair. A small tent will be available for shade.
