YOUR RAPPEL

- Please leave your valuables at home! We do have space to store car keys, cell phones, etc. but we are asking that you leave jewelry (rings, watches, etc.) at home. This includes wedding rings!
- Participants with long hair: please make sure to bring a hair elastic. Hair needs to be tied up.
- Pants, long sleeves, and sneakers are required.
- **GoPro cameras** may be attached to helmets, at the discretion of Over the Edge technicians. Some helmets have GoPro mounts but **please bring the straps that came with your camera** to be on the safe side! No video cameras, digital cameras, ipods, cell phones, etc. will be allowed on your person when you rappel. The technicians will find them when they secure your gear on you and they will take them and store them until you are done.
- The event will go on rain or shine!

SPECTATORS

- In an effort to limit the number of people in meeting rooms, spectators will also not be allowed in the registration or staging area, but may take photo with you in designated areas in lobby and hallway.
- To view your rappel, all spectators are encouraged to go to the **Viewing Area** located at the **Bean & Vine Café** which is located in the lobby of the Earth Tower. **This is the only area where spectators will be able to view your rappel.**

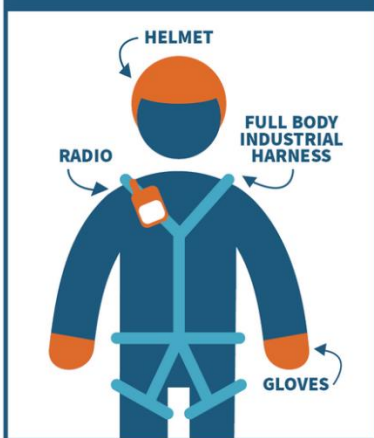

- We ask that spectators be respectful of all social distancing guidelines and leave the Bean & Vine Café when your rappel is completed to make room for others. **Spectators are encouraged to bring binoculars for the best view of your rappel.**
