

Become a Volunteer

Our Penguin Plunge events wouldn't be possible without the support of volunteers! Individuals, families, and groups are needed to help make our Penguin Plunge events fun, safe, and exciting for all attendees. Examples of Penguin Plunge volunteer opportunities include:

Check-In/Registration - crucial to the success of the event

- Welcome event participants
- Collect signed waivers and tally fundraising totals

Incentive Prizes - a perfect opportunity for our younger volunteers

- Hand out incentive prizes

Finance - our favorite finance volunteers are individuals who are current/former bank tellers

- Confirm all fundraising totals
- Assist SOCT staff with sorting and counting all event donations

Event Set Up & Breakdown - great for school groups or teams who need to fulfill community service hours

- Help set up the beach, put up signage
- Set up registration tent – tables, chairs, signage, t-shirts, and any other items needed
- Help pack up all event supplies and general event clean up
