A coach should be available to remind athlete of time to take medication.

## **ATHLETES WHO CANNOT SELF - ADMINISTER MEDICATION**

Athletes must go to event's central medical facility to have medication administered unless the Local Program has a med certified individual accompanying the team.

### **PLEASE NOTE**

- Athletes must arrive at the clerk of course area without medals, and weather permitting, without jackets, 15 minutes prior to the event start time. Athletes arriving late risk the chance of being disqualified. Please note that athletes must be dressed in proper and appropriate competition attire. - Staging area is limited to athletes and staging personnel.
  - Exceptions:
    - 1) Athletes who must have a personal assistant (limited to one person), must have proper id on credential;
    - 2) Relays...it is helpful to have the coach there to keep the teams together and identify which leg is to be run by which athlete and/or partner.
- Starter's pistols will be used. (rules of competition sect. B-1, a-2 'the gun shall be fired.) Coaches and/or parents should not argue the point with either staging or track volunteers. # Track & Field

- Pacing athletes is not permitted.
- Athletes are not to be 'coached' from inside the field of play.
- Athletes should not be running with any type of object in their hands.
- Please look for a green disk indicator which will be used for those athletes in the 50m and 100m runs on the B side of the track.
- Please review the performance standards for certain events. Athletes who exceed these will be able to complete their event but will receive a participation ribbon with their designated heat.

### UNIFIED SPORTS® FIELD EVENTS

- Unified Sports® field events including running long jump and shot put are heated by the oldest team member. All co-ed events are considered male events.
