I have circled my choice below:

Donation of Money, Goods, or Services

Proceeds will go to

and
Lisbon Public Schools
Where a Scholarship Fund
Will be Created in Honor of
David J Yellen

Welcome to the First Annual SPUD Open Memorial Golf Tournament in honor of David J Yellen

The Spud Open Memorial Golf Tournament is in its Inaugural year. The mission and greater goal of this tournament is to carry on the legacy that David Yellen started and continue to “Make a Difference” in the lives of children within the Special Ed community, where David dedicated over 30 years of his life making an effort each and every day to make an impact on every child he met. To build upon on his mission and help spread his goal, we will count on the loyalty of our tremendous golfers and the incredible generosity of individuals and businesses in the community like you.

We are asking for support in the forms of tournament hole, contest sponsorship, and donations of money, goods, and services to support the tournament raffle – our major source of income.

Every net dollar raised from the tournament goes directly to the Special Olympics of Connecticut and Lisbon Public Schools.

Please help us spread the influence of what David Yellen started and be generous in your support of this extremely worthy community event.

Thank You
