

Jane Capua joined Special Olympics Connecticut as Coordinator for Annual Gifts in November of 2017. Jane sends acknowledgement letters to donors who support Special Olympics Connecticut when a gift is received. Jane also promotes Special Olympics Connecticut's mission through The Night of Thanks program, where athletes come together and send hand-written thank you cards to donors throughout the year.

Prior to joining Special Olympics Connecticut, Jane worked for The Greenwich Workshop Incorporation, a limited-edition fine art publishing company. As a Regional Sales Manager, she partnered with local art galleries to expand their offerings and promote Greenwich Workshop artists through hosting shows and events.

Jane is proud of her son who volunteered at the office during the summer of 2019 and was happy to help and be a small part of this amazing organization.
